# Let us put you in your dream car!

Our Automobile Allowance Program was created with you in mind. Why you? Because it is you who decides all of the factors. You determine what kind of car you would like, and you determine how much you want to spend.

## RICHWAY & FUJI BIO AUTOMOBILE ALLOWANCE PROGRAM

### Program Requirements

In order to participate in the Richway & Fuji Bio Automobile Allowance Program, you must first meet the following requirements:

- Be at the Diamond Executive Level.**
- Earn Binary Bonuses for twelve consecutive weeks as a Diamond Executive.**

### How Does the Program Work?

First, fill out and send in your application. Then participants become "car qualified" by earning any Binary Bonuses for twelve (12) consecutive weeks. Once you qualify to participate in this exciting program, you select your car, pick your options, and choose your purchase plan. You may then purchase or lease your new automobile. We will automatically issue your check and send it to you directly each month.

### Calculating Your Allowance

The amount of your monthly Automobile Allowance is determined by two (2) factors :

- The purchase price of the automobile**
- The performance of your business**

In order to participate, you must first purchase or lease a new vehicle at a minimum cost of \$20,000. The vehicle may be any type you desire- a car, a van, or even a boat. You decide what type of vehicle will provide you with the best image and the most advertising mileage for your business.

The maximum payment amount you may earn each month is determined by the actual purchase price of your new car plus ten (10) percent.

The extra ten (10) percent is added by Richway & Fuji Bio to help cover taxes, licenses, insurance, finance charges and maintenance costs.

To calculate your maximum monthly payment amount, this sum is divided by sixty (60) months (or length of lease), but may not exceed \$1,000 per month.

Your actual payment amount earned each month is based on the performance of your business. At the end of each month, you simply multiply the amount of Binary Bonuses received during that month by ten (10) percent, or the maximum monthly payment amount calculated above, whichever is less.

**The following example illustrates how the program works using a new vehicle with a cost of \$42,000.**

<b>Actual Vehicle Cost :</b>	<b>\$42,000</b>	<b>\$42,000</b>
	<b>X 10%</b>	<b>+ 4,200</b>
	<b>\$ 4,200</b>	<b>\$46,200</b>
<b>\$ 46,200 divided by 60 months = \$770</b>		

**In this example, the maximum monthly payment amount would be \$770.**

**This represents the lesser of \$770 or \$1,000.**

The actual payment amount earned each month under this program is based upon the amount of Binary Bonuses received each month.

For example, if you receive \$7,500 in Binary Bonuses in a given month, your actual payment amount earned would be \$750, or ten percent of \$7,500.

If you received \$7,950 in Binary Bonuses in a given month your actual payment earned would be \$770. It would not be \$795 because the maximum payment allowed in this example is \$770.

Then based upon your performance, Richway & Fuji Bio will issue your payment every month. Do not let this opportunity pass you by and start the program today!
